Antiochian Orthodox Christian Archdiocese

Dear

I am writing to invite you to our church. Our parish is a welcoming community of Christians where many people are finding themselves a spiritual home. If you are at all interested or if you are looking for a Church, our parish might be the place for you.

We are Orthodox Christians, members of the Orthodox Church that has been in existence from the time the Church was first established after the resurrection of our Lord Jesus Christ. In the Bible it says that the followers of Christ were "...first called Christians in Antioch." That Church still exists, even today right here in America. St. Peter Antiochian Orthodox Church is a direct descendent of it.

Orthodox Christianity is a serious faith. Because it is serious, it is also joyful and can provide strength in times of trouble. You can find Christ our Savior there. It doesn't have perfect people but it does have faithful ones, and that is a good thing because faithfulness is what the Lord seeks.

We are a relatively new parish; in existence for about five years. We got our start in a meeting room at a hotel with a very small number of people. We have grown and we are now in a new location in Bonita Springs. Our setting is modest but the worship is rich. And so is the fellowship.

Please consider this an invitation to visit us. I am sure you will not be disappointed.

Yours In Christ,
