

Saint Peter Antiochian Orthodox Church

Dear Members & Friends of St. Peter Orthodox Church,

December 3, 2019

First of all, I would like to THANK each and every one of you for your support and generous contributions in 2019. This is the first year that we have been on target to meet our operating expenses.

I would like to think that this means that we are doing things right. We want to be the church where each of us can find our Lord & Savior Jesus Christ and where others who are still searching can find him, too. This is the path we have chosen, whether we do it at our existing location or elsewhere.

As you may or may not know, we are looking to move to a more permanent location as our rent is going up again in 2020. We have a number of irons in the fire and pray that God will show us the way to our new home. In the meantime, our 2020 Budget is \$17K more than 2019.

How can you help? You can help by filling out & returning your 2020 Stewardship Pledge. I understand that some people prefer to give without filing out a stewardship card. That is fine although it makes planning a bit more difficult. St Peter's cannot flourish unless we support it with our whole heart. Our financial commitment should reflect our interior commitment to the church. Please prayerfully consider your financial commitment to God's church--St Peter Orthodox Church--so that we may grow in the love of our Lord and in service to Him and each other.

Yours in Christ,

Fr. Hans Jacobse
